NURSE CALL AND WANDERING SYSTEMS

We understand that there is NEVER a good time to lose function of your nurse call or wandering systems. Long term care is in the very fiber of our being. Rest easy knowing we know healthcare and the emergent nature of nurse call and wandering system needs.

NURSE CALL SYSTEMS

- Wireless or Wired Systems
- Resident Wandering Systems
- Service, Inspections, and Upgrades
- Addressable and non-addressable types
- Full integration into other systems such as fire alarm, wandering, and door security
- Able to service and troubleshoot all types, even proprietary systems

GENERATORS

For many, losing power is not an option. We make sure that your generators are installed properly and maintained adequately so your power outages are a mere inconvenience.

- Full Line Service and Repair
- Fuel & Oil Lab Testing
- Automatic Transfer Switches
- Load Bank Testing
- Generator Rentals

SECURITY + PROTECTION

Burglar alarms, access controls, CCTV and more. We offer whatever your home or business needs for security. Your person and property are safe with SafeCare!

DOOR ENTRY & EXIT SYSTEMS

- Locking & Access Control
- Keyless Access Control

AUTOMATIC AND MANUAL DOORS

- Inspection
- Door Hardware
- Slide & Swing Doors
- Glass & Aluminum Doors
- Hollow Metal Doors
